

New Football Coaches at Anson High School

Ralph Jackson to Head Anson Bearcat Football

Ralph Jackson has been named head football coach for the Anson High School Bearcats. Jackson, who is from neighboring Stanly County, began his new journey on March 2 with a team visit, and now practice is in full swing. Coaches and players are very enthusiastic about his vision for the team and what lies ahead for the Anson Bearcat football program.

A standout athlete for West Stanly High School, Jackson currently holds the record for career rushing (3,591 yards). He attended Fayetteville State to play football. Jackson served as the head coach at

North Stanly High School for the past five years, where he led the Colts to their first winning season in sixteen years.

He has put much emphasis in the weight room and organized several youth camps. Jackson's vision includes a focus for his athletes to grow stronger and faster.

This is what Coach Jackson says about coaching football, "I want playing football to be a life enhancing experience here at Anson High School. In the process we are producing young men of character, and producing first class citizens. I am glad to be here and proud to be the Head Football Coach at Anson High School."

He is married and has three children. "This is a wonderful opportunity for me and I am excited to be a part of the great football tradition here at Anson," he said. "I hope to be a positive role model here and believe we can do great things with football as well as the lives of these student athletes," he continued.

Quntavious Sturdivant Coach Sturdivant is from Oakboro, NC. He attended the University of North Carolina where he played football from 2007-10. His major was Communications. He was a four year starter on defense and team captain. He was drafted by the Arizona Cardinals in the 2011 NFL draft.
