

Anson County Early College & Anson High School Honor Grads

Junior Marshals

Celebrating the Class of 2025 Anson County Schools

On Wednesday, May 28, 2025, the Anson County Board of Education had the distinct honor of awarding diplomas to the Anson County Schools Class of 2025.

In a celebration of achievement and promise, many students were also recognized for earning Associate Degrees and special credentials through South Piedmont Community College—an outstanding testament to their hard work and dedication.

A highlight of the event was the opportunity to honor students who achieved exceptional academic success. The photos shared here proudly represent our Honor Graduates and Junior Marshals - shining examples of excellence within our school community.

Our pride continues to grow as we celebrate a new graduating class prepared to thrive - whether through higher education, professional certifications, entry into the workforce, or military service. These students are ready to make a difference in the world.

Congratulations to our students, parents, families, and the entire Anson County community. Your support, commitment, and shared values are reflected in the success of this remarkable class.

Anson High’s Elin Lockhart Shines on World Stage, Places 4th in World Twirling Championship

Anson High School Feature Twirler Elin Lockhart traveled to Turin, Italy on August 1-9 to compete in the IBTF World Twirling Championship with her duet partner Sophie Goodwin, who is also an Anson County resident.

During the Preliminary round of competition Elin and Sophie twirled against 25 other pairs of girls from various countries and had to land in the top ten to advance to the Final round. They accomplished that and went on to finish 4th Place in the world!

This achievement marks Elin's first-ever participation in the world championship, and Anson High School is immensely proud of her!

August Graduation Ceremony

On Tuesday, August 5, 2025, Anson High School proudly held its second graduation ceremony for students who completed their remaining credits during the summer session.

These graduates demonstrated remarkable perseverance, determination, and commitment to their goals by working diligently to fulfill their academic requirements. Their dedication paid off, and we were thrilled to celebrate their achievements with families, friends, and staff.

We are incredibly proud of each of these students and their accomplishments, and we wish them all the best as they move forward into the next chapter of their lives.
