Anson High School Football - Bearcat Pride...On Our Side!

Message from Coach Luke Hyatt

Anson High School Head Coach Luke Hyatt is excited about the 2013 season. "Our kids have put in a lot of hard work over the summer and during the preseason," said Coach Hyatt. "Some kids who have played as freshmen and sophomores are now juniors and seniors, experience which should prove to be invaluable."

The coaching staff has some new faces - faces you may not immediately know - and we extend a warm welcome to them. "These new coaches bring years of experience to our program and they are creating great relationships and trust with the kids. Building relationships is the backbone of any successful program," said Coach Hyatt. "We would also like to welcome back those veteran coaches who always give their all. The entire coaching staff, the athletes and the administration all expected 2013 to be a very successful season."

Words from Anson High School Principal, Mr. Charles Murphy

Mr. Charles Murphy, Principal at Anson High School, is ready for the upcoming football season. He shared, "I am excited about this collaborative effort with Head Football Coach Luke Hyatt, Athletic Director Terry Mabry and the Anson High School Administration to identify and hire highly qualified teachers who also bring a high level of coaching knowledge to the Bearcat Football Program. Combining our new staff with our returning coaches will bring tremendous opportunities for our student athletes, both on the field and in the classroom."

"Come out and see the Bearcats on Friday nights this fall."

Coach Marquez Davis

Coach Marquez Davis, Defensive Backs, said, "It is great to be a part of the Anson Bearcat Football Team. Anson has a great coaching staff that is supportive of the players. Coach Hyatt does a great job of creating a positive atmosphere, and the players are excited and ready to get better each and every day. I look forward to working with each player, while watching them improve and enjoy themselves on a daily basis."

Coach Shane Griffin

Coach Shane Griffin, Offensive Line and Assistant Strength Coach, is yet another new face. Griffin shares, "I am very excited about the upcoming football season as well as being a part of the Anson High School Football Program. We have a great group of young men who are willing to work hard and learn the technical fundamentals and apply them to the tactical schemes designed by the coaching staff."

I am truly fortunate to be a teacher and a coach at Anson High School. I look forward to seeing the players in the Bearcat Football program progress each and every day."

Coach Tim Hansen

Coach Tim Hansen is coming to Anson from a 4A/5A high school in Nebraska. "I believe I traded up from a talent perspective by coming to Anson. Defense wins championships and I look for ours to carry us there," Hansen said. "Offensively we have some weapons that will make us exciting to watch."

Coach Hank Harris

Coach Hank Harris, Quarterbacks and Running Backs, joins the Bearcat coaching staff for the 2013 season.

Coach Harris has also been appointed as the Head Baseball Coach at Anson High School. He said, "I have been blessed with a wonderful opportunity to become the new Head Baseball Coach here. I see a lot of potential in the facilities and the team. I look forward to building a baseball field that players and fans are proud of, and look forward for you to come out and see for yourself."

Harris believes in the talent here in Anson County, but admits the community will need to show their support and push the players and to help build a team and a field. "It is now my job to build the excitement and to steal the football motto, and restore the roar for Anson Baseball!" said Harris.

Trainer Sha Huntley

Anson has a new trainer this fall, Ka'Chavis "Sha" Huntley. She joins the Bearcats and is looking forward to her new beginning here in Anson County. Huntley comes our way from Crest High School.

The Bearcats take on Forest Hills at Bearcat Stadium this Friday, August 23 at 7:30pm. Come out and support our team!
