**South Piedmont Giving Away iPad, PlayStation, and Gas Cards in FAFSA Completion Campaign**

Students who complete their FAFSA between Aug. 13 and Sept. 13 will be entered to win an iPad, PlayStation 5, and \$50 gas gift cards.

The FAFSA completion campaign is being funded by a grant from the John M. Belk Endowment. Earlier this year, the John M. Belk Endowment announced it would award grants to select community colleges across the state for campaigns aimed at increasing completions of the FAFSA and awareness of the Next NC Scholarship.

The FAFSA is the Free Application for Federal Student Aid. It is a student's first step toward receiving scholarships, grants, work-study opportunities, and loans to finance their college education.

The Next NC Scholarship is a financial aid program that helps most North Carolinians from households making \$80,000 or less pursue higher education by fully covering the tuition and fees at community colleges. Students learn whether they are eligible to receive the Next NC Scholarship after they complete the FAFSA.

To complete the FAFSA, students should visit [fafsa.gov](http://fafsa.gov). The website will explain the FAFSA process, including what financial documents are needed to complete the form.

South Piedmont's financial aid staff members are available to assist with the FAFSA. Send questions or request more information via [financialaid@spcc.edu](mailto:financialaid@spcc.edu).

The FAFSA asks students to select at least one college to receive the student's information. All students who indicate South Piedmont Community College on their FAFSA form between Aug. 13 and Sept. 13 will be entered to win an iPad, PlayStation 5, or a \$50 gas gift card. Winners will be randomly selected.

"These are fun prizes, and we're thankful to the Belk Endowment for making this campaign possible, but the biggest prize is financial assistance for college, including the Next NC scholarship. The FAFSA is a critical first step toward paying for higher education. We're excited to get this campaign off the ground and start students on their path toward a college education," said South Piedmont Vice President for Student Affairs Dr. John Evans.
