

Belk Building Through the Years

Darrell Williams from Belk Stores shared these photographs of the Belk building taken at various times during the last 70 or so years. With the current renovations taking place on the building which now houses Anson County Government offices, Ansonians have been pleased to see the original ornate facade emerge from behind the (dare we say...ugly) white panels that have adorned the building since 1955. County Manager Lawrence Gatewood has spearheaded this much needed renovation, as well as the Courthouse and Little Park refurbishments. All Ansonians will benefit from his efforts to make these necessary projects happen. The photo to the left was taken in the 1940's, below left, 1961, and below right, after the big fire that destroyed the Fox & Lyon building in January 1983.

Tdap Vaccination Clinic is Thursday

The Anson County Health Department will hold a Tdap Vaccination Clinic on Thursday, September 6, from 5 until 6:30 p.m. at the health department (110 West Ashe Street in Wadesboro). The Tdap vaccine gives protection against Tetanus, Diphtheria and Pertussis (Whooping Cough).

ACIP (Advisory Committee on Immunization Practices) recommends that adolescents should preferably receive the Tdap vaccine at 11-12 years of age (before entering 6th grade). They also recommend adults (e.g., grandparents, child-care providers, and health-care practitioners) who have or who anticipate having close contact with an infant less than 12 months of age and who previously have not received Tdap should receive a single dose of Tdap to protect against pertussis and to reduce the likelihood of transmission. For other adults aged 65 years and older, a single dose of Tdap vaccine may be given instead of Td vaccine in persons who have not previously received Tdap.

Tdap can be administered regardless of the interval since the last tetanus or diphtheria-toxoid containing vaccine. After receipt of Tdap, persons should continue to receive Td for routine booster immunization against tetanus and diphtheria.
