Bearcat Player of the Week is Cordarrius Bivens

Anson High School's Cordarrius Bivens has been named the Jarman Contractors Player of the Week for his outstanding play against South Stanly.

On offense, Bivens rushed for 133 yards on 14 carries and scored one touchdown. On defense, he delivered an equally impressive performance with six pass breakups, two interceptions, and three tackles.

Bivens' all-around effort helped fuel the Bearcats on both sides of the ball and earned him this week's honor.

The Emergency Food Pantry continues to expand weekly, thanks to generous neighbors. BRLC provides food boxes on Wednesday mornings for individuals to prepare meals at home for their families. In August, more than 120 families were served. In July, over 50 meals were prepared and delivered to local senior citizens, and 40 free bag lunches were provided to under-resourced children. Your prayers, financial support, and acts of kindness make this work possible.

The BRLC Thrift Shop is open Tuesdays and Thursdays from 9:30 a.m. to 4:00 p.m., and on Wednesday mornings starting at 9:00 a.m. New and gently used donated items for the entire family are available at low prices, with a few specialty items offered at slightly higher prices.

Physical fitness training is offered three times each week: Tuesdays and Thursdays at 4:00 p.m. (male and female participants welcome), and Saturday mornings at 8:00 a.m. for community walking. Students who wish may leave an offering. Join in and take steps toward better health and fitness.

BRLC News

- This summer's Seniors' Computer Training - made possible by Caraway's Foundation and BRLC—was a success. Free laptops were issued to all senior citizens who attended and completed the sessions.
- The BRLC & Burnsville Fire Department Quarterly Red Cross Blood Drive was successful, with 20 donors participating and five new potential donors added.

The next quarterly blood drive will be held in December 2025.

- BRLC's Historical-Museum Project is ongoing. Please keep this vision in your prayers as we continue working faithfully. BRLC is actively pursuing the purchase of property to create a local History Museum and family recreation space. It is a work in progress, and your support helps move it forward.

All gifts to support this organization are tax-exempt. During the programs, donor names (individuals and businesses) will be acknowledged. Come take part in the 13th annual event and spend the day with BRLC.
