Robert Hurley is now pain free!

Hello my name is Robert Hurley and I want to share my story with you.

I have suffered from back pain for quite some time, but in October of 2011 I decided I had had enough and I called Wadesboro Chiropractic and made me an appointment to see Dr. Dial. My first visit was on October 24, 2011. During my initial consultation Dr Dial did an x-ray of my back and the film showed I had an aneurism in my stomach. Dr Dial and his staff got me in with my family doctor so that this could be taken care of.

My back pain was still going on after my surgery to repair the aneurism, so I once again called Dr Dial and made me an appointment in June of 2012. After just a few visits my pain was subsiding, and now today my pain is zero.

Before visiting Dr Dial I was not able to do the things I enjoyed such as hunting, and I could not stand for a very long time without pain. But today I am living pain free and enjoying life again thanks to Dr Dial at Wadesboro Chiropractic!

I suggest if you are suffering with back pain or any pain that affects your every day life, call Wadesboro Chiropractic! I did and I sure feel better!

Don't Forget Your Sunglasses!

UV rays can increase the risk of cataracts, macular degeneration and other eye diseases.
50% of UV damage to eyes is done before a person is 18 years old, so kids need sunglasses too!

Sunglass frames with a close fitting wrap around style provide the best UV protection.
Polarized lenses reduce reflected glare from surrounding water.
