

you could go to
the place with the
good 🍌 . or go
to the place with
the low \$. or 🚗
around all Sunday
looking for both.
**or you can stop
overthinking it.**

High quality and low price in the same place. For real. No more "this store for pricey bread in a farm crate" and "this store for discount peaches". Goodbye high prices for questionable goods. Hello fresh ingredients at low, low prices.
