Dear Editor, The Anson County Chamber of Commerce wishes to extend a huge thank you to all the volunteers and organizations who gave of their time to provide assistance to the more than 1,000 Cycle NC cyclists who stopped in Wadesboro on Wednesday October 3. Wadesboro was the major lunch and rest stop break for riders from all over the United States and from foreign countries who were traveling from Brevard to Carolina Beach in North Carolina.

We would like to recognize the Town of Wadesboro, the Wadesboro Fire and Police Departments, the Sheriff's Office, the State Employees Credit Union, Uptown Wadesboro, Inc., the Partnership for Children, and the many individual volunteers who made peanut butter and jelly sandwiches, provided water, gave directions, answered questions, and served as good will ambassadors. Special thanks also to Parsons Drug Store for providing quick first aid for one of the riders.

Dr. Don Altieri deserves very special thanks for his efforts in assisting with planning this event alongside the Chamber. Numerous phone calls and contacts were needed to pull it all together and his support was greatly appreciated.

We heard many wonderful comments from the riders on what a great stop it was and how much they liked Wadesboro, and very much appreciated our hospitality. We had an information center set up so the bike riders could see all that Anson has to offer, which included information about the Chamber's bike ride in November. You never know just who might want to come back for a longer visit.

Again, our warmest appreciation to all those who spent time on the square and for showing our bike rider visitors what a great place Anson is.  
Lynn Edwards, Executive Director, Anson County Chamber of Commerce.

**NC Insurance Industry Requests 17.7% Rate Hike for Homeowners Policies**

Insurance Commissioner Wayne Goodwin announced that the Department of Insurance received a homeowners rate filing from the North Carolina Rate Bureau on Oct. 1. The Bureau, which is not affiliated with the Department and represents the property insurance companies writing business in the state, requested a statewide average increase of 17.7 percent, with a requested effective date of June 1, 2013.

The filing is available for public review on the Department's website. To view the entire filing, go to <http://pserrf.ncdoi.net/pc.html> and enter the Serff Tracking Number NCRI-128708881.

For interested parties who would like to weigh in on the rate requests, there will be a public comment session on Oct. 17 from 9:30 a.m. to 4 p.m. in the Jim Long Hearing Room of the Dobbs Building, 430 N. Salisbury St., Raleigh.

Written public comments should be mailed to: NCDOI, Attn: Bob Mack, Property & Casualty Division, 1201 Mail Service Center, Raleigh, NC 27699-1201; or emailed to 2012homeowners@ncdoi.gov. The deadline for submitting written comments is Oct. 19.

The filing will be reviewed by Department experts to determine what, if any, rate adjustments are warranted. If the two parties cannot agree on rate changes, Commissioner Goodwin will call for a public hearing in which both parties would present their cases for any rate adjustments.

The North Carolina Rate Bureau is not required make an annual rate filing with the Department of Insurance for homeowners insurance. This is the first homeowners insurance rate filing during Goodwin's administration. The last homeowners insurance rate filing occurred in 2008 when the insurance companies requested a 19.5 percent statewide average increase. A settlement agreement allowed for a 4.05 percent statewide average increase to go into effect in May 2009.
