

Chamber on the Half Shell: A Shucking Success!

This is a release from the Chamber of Commerce: The 2017 Chamber on the Half Shell hosted by the Anson County Chamber of Commerce was a shucking success, going through over 80 cases of freshly steamed Atlantic Oysters. It was the Chamber's "Event of The Season" where men are men, and women and women, but can act like boys and girls for one night of fanfair and absolute fun!

Big ones, little ones, funny ones and hot ones, boy those oysters were everywhere! The event, held at Twin Valley Golf Club in Anson County, is anticipated to get bigger and better each year. Along with a whole lot of oysters to chow down on, there was great fried fish, fried shrimp, hush puppies, and all the fixings. This event provided a great way to network, have fun, eat and get to watch 100 different oyster shucking techniques. Door prizes - another reason for fun in itself! A dental hygiene basket was donated by Anson County Family & Pediatric Dentistry; Chiro-Flow Chiropractic pillow and Bio-Freeze donated by Pierce Family Chiropractic; a hand carved wooden bowl donated by local carver Emmett Patterson; two rounds of golf for three donated by Twin Valley Golf Club. The biggest door prize, the granddaddy of them all, was a wheelbarrow filled with wine and liquor, won by Matt Randall of ATR Towing and Recovery

"There was little doubt that the Chamber on the Half Shell was going to be an exceptional event," said the Chamber Executive Director, Shelby Emrich.
