**Schools Participating in College Application Week**

Anson High School, Anson Early College, Anson New Tech and Anson Academy will participate in the statewide College Application Week cosponsored by College Foundation of North Carolina (CFNC) and the Carolinas Association of Collegiate Registrars and Admissions Officers (CACRAO) during this week, November 2 through 6.

As a part of the CFNC-CACRAO college access initiative, high schools will work with seniors during this week to complete and submit online at least one college application each using the career and college information and planning site, [CFNC.org](http://CFNC.org).

The goal of the program is to get more students applying to North Carolina colleges early in their senior year. During this event, students may apply to North Carolina community colleges, independent colleges and state universities, many of which will waive their application fees.

Students are encouraged to begin looking at applications in [CFNC.org](http://CFNC.org) for schools they are interested in applying to as there may be essay questions they need time to work on.

For more information about events at your school, please contact your school counselor.
