NOTICE OF DISCHARGE OF UNTREATED SEWAGE
The Town of Peachland had a discharge of untreated wastewater from our wastewater collection system at German Hill Pump Station, located at the intersection of North Clinton Avenue and German Hill Road of approximately 1,500 gallons. The discharge occurred on November 4, 2015, at 4:45 p.m. for approximately 2 hours. The untreated wastewater entered into Lanes Creek. From recent storms and heavy rains Lanes Creek breached its banks and debris gathered on the aerial sewer line causing the failure. The line has been repaired and is back in service.
