VA Offers Same-Day Care for Mental Health

The US Department of Veterans Affairs announced that all of its more than 1,000 medical facilities across the country now offer same-day services for urgent primary and mental healthcare needs. Same-day services may include a face-to-face visit with a clinician; advice provided during a call with a nurse; a telehealth or video care visit; an appointment made with a specialist; or a prescription filled the same day, depending upon what best meets the needs of the Veteran.

How to Search Back Issues of The Express Online

Complete editions of The Express back to 2011 are available on our website, theexpressnewspaper.com. Access is free. You can go to the site and choose an edition by the date, or you can use Google to search for a particular article. Other search engines work, but Google delivers significantly more results.

How to search Google for past articles On the Google Search type this: theexpressnewspaper.com and "your search term". For example, to search for articles about Posie: theexpressnewspaper.com "Posie".

This is the search method for other search engines as well.

Using Google to search archived editions does not always give you complete results, but it does a very good job. Enjoy!
