

Bluegrass for Civitans and Friends on November 18

There will be no speaker on the program at the November 18 dinner meeting of the Wadesboro Civitan Club. Instead, the Civitans and guests will be entertained by lively music, delivered by the local band Stonewashed Bluegrass. Three high-school musicians from Marshville and one from Monroe formed Stonewashed Bluegrass about two years ago, and now have a professional repertoire. Morgan Medlock plays bass, Hallie Sholar fiddles, Scott Stegall picks banjo and Brandon Hayes plays guitar.

Civitan members have been encouraged to bring guests to this meeting, so non-Civitans who want to attend could drop a hint to any Civitan neighbor or call Yates Almond, Club President, at 704-475-1239. The 10 dollar dinner

meeting begins at 6 p.m. on Tuesday evening, November 18, at Welika Lake Fish Camp in Lilesville. Pictured above are Brandon Hayes (guitar), Hallie Sholar (fiddle), Scott Stegall (banjo) and Morgan Medlock (bass), playing as Stonewashed Bluegrass.

Memory Screening Day Comes to Wadesboro November 18

Remember to get your free, confidential memory screening

National Memory Screening Day is an annual initiative of the Alzheimer's Foundation of America (AFA). Grace Senior Center will offer free, confidential memory screenings on Tuesday, November 18. Screenings will be held from 10 a.m. to 1 p.m. Qualified healthcare professionals will administer the memory screenings and provide educational materials about memory concerns, brain health and caregiving. The face-to-face screenings consist of a series of questions and tasks, and take five to 10 minutes to administer.

AFA suggests memory screenings for anyone concerned about memory loss or experiencing warning signs of dementia; whose family and friends have noticed changes in them; who believe they are at risk due to a family history of dementia; or who want to see how their memory is now and for future comparisons.

Screeners emphasize that results are not a diagnosis, and encourage individuals who score poorly as well as those who still have concerns to pursue a full medical examination.

Such screenings are becoming increasingly important as the number of Baby Boomers turning age 65 - the at-risk age group for Alzheimer's disease - continues to climb. The federal government's historic "National Plan to Address Alzheimer's Disease" urges a greater emphasis on both early diagnosis and education about Alzheimer's disease and related dementias. For more information and to register for the National Memory Screening Day, call Wanda Talbert at (704) 694-6616.

Bingo at Grace Senior Center

Bingo games are held every third Tuesday of the month at Grace Senior Center at 2 p.m. All seniors are invited to attend for fun and fellowship. For more information call the center at 704-694-6616.
