

# Energy Efficiency Tip of the Month

Insulation in your home provides resistance to heat flow and lowers your overall heating and cooling cost. Properly Insulating your home improves comfort and reduces heat loss during winter months.

## School Board Meeting for November 22 to be Live Streamed on YouTube

The Anson County Board of Education will hold their regular meeting on Monday, November 22. Closed Session will begin immediately after the opening of the meeting at 4:00 p.m. Open Session to the public will begin at about 5:30 p.m.

The meeting will be live streamed on the Anson County Schools' YouTube channel for the public to view. To find the channel you can search YouTube for "Anson County Schools."

The meeting will be held in the Anson County Schools' Administrative Board Room, located at 320 Camden Road in Wadesboro. Masks will be required for visitors.

If the public wishes to sign up for public comment, they can sign up in person or go to the public comment link on the Anson Schools website at [www.ansonschools.org](http://www.ansonschools.org) to sign up. Public comment sign up will be from 4:45 to 5:15 p.m. on Monday, November 22.

## NBC's November 2022 Election Coverage to Include Regular Reporting from Anson County

In an article published by NBC News, they stated that they will feature Anson County, along with six other counties nationwide, in a series of stories about politics leading up to the November 2022 election. Here is what they stated:

In communities across America, voters are still trying to find their political homes after a tumultuous five years when many questioned long-standing party loyalties or became active in elections for the first time. And they have a long list of challenges in their areas that they're counting on leaders to address.

That's why NBC News is launching its County to County series, which will embed reporters in seven bellwether counties throughout the 2022 cycle for regular stories about the changing face of American politics.

## Fifth Edition of NC Byways Guidebook Now Available

The fifth edition of the Scenic Byways Guidebook is available for free download at NCDOT's scenic byways webpage ([ncdot.gov/travel-maps/traffic-travel/scenic-byways](http://ncdot.gov/travel-maps/traffic-travel/scenic-byways)). People interested in a hard copy can request one from the North Carolina Byways Program by mail. People can also visit the North Carolina Byways webpage to download a digital copy.

The Scenic Byways program was created in the 1994 to allow motorists to experience a bit of North Carolina's history, geography and scenery while raising awareness for the protection and preservation of these areas. To help preserve the roads' intrinsic qualities, designated routes do not allow for new billboards to be erected along them. North Carolina has 62 scenic byways. Four of those byways are recognized by the Federal Highway Administration as national scenic byways. The Blue Ridge Parkway, which is included in the guidebook, is a recognized All-American Road but is managed by the National Park Service.

The last edition of the scenic byways guidebook was released in 2008. Since then, 11 new byways and several extensions have been added.

For more information on the Scenic Byways Program, or to request a Scenic Byways Guidebook, visit [ncdot.gov/scenic](http://ncdot.gov/scenic).
