Wadesboro Leaf Collection

The town's leaf collection equipment will only pick up leaves and pine straw. Do not mix any objects such as limbs, bricks, rocks or building debris with the leaves. The leaf truck follows the same route the garbage truck follows. Remember to have all of your leaves out for pick up before February 1, 2014. Leaf collection will stop on this date.

Inspirational Program for WPS Students

The N.E.D Yo-Yo Show visited Wadesboro Primary on Friday, October 18th. The program is designed to promote positive attitudes, better behavior and improve academic achievement through character education.

Presented through storytelling, humor, visuals and audience participation, the NED Show motivates, encourages, and inspires students to become champions at school and in life. N.E.D. teaches three vital yet simple skills that bring out the champion in every kid by sharing the story of NED, whose name is also an acronym: Never give up, Encourage others, and Do your best.
