

Peachland-Polkton Elementary Career Day

Peachland-Polkton Elementary School hosted its annual Career Day on Friday, November 17. Community members visited to tell students about their careers, their job duties, the level of education or training required and which school subjects are important in their line of work. Students learned from a crime scene investigator, nurses, business owners, dental services, farmers, a state trooper, the USDA natural resources, a professional bird trainer, a Pee Dee Electric lineman, a horse farrier, fire marshals, a chiropractor, sheriff's deputies, a pharmacist, the director of our animal shelter, a detective, physical therapists, a paramedic, a forester, and an attorney.

The guest speakers put a lot of time and effort into their presentations. They made the lessons fun, hands-on and engaging to young students. Peachland-Polkton Elementary School wants students to realize that the skills they are learning now impact their futures. It is vital that we help our students realize their potential. These young kids are the future of our community! Our goal is to encourage them to strive for excellence.

Special thanks to all of the guests who visited and made Career Day a success! Thanks for taking time out of your busy schedule to be a positive influence for students.

Students from Wingate University's Doctor of Physical Therapy program showing Mrs. Emrich's 5th grade class some of their equipment.

Brown Creek Creamery brought a special guest for Mrs. Martini's 1st grade class to meet!

Lineman Chris Baxley showing 2nd grade student Landon Chaney how to use some of the truck's equipment.

Benjamin Rivers Inducted Into Phi Theta Kappa Honor Society at Randolph Community College

On Saturday, November 18, Beta Theta Rho, the local Five Star Chapter of Phi Theta Kappa at Randolph Community College, welcomed 56 new members during its fall Induction Ceremony, which took place in the R. Alton Cox Learning Resources Center auditorium on the Asheboro Campus. Among the inductees was Benjamin Spencer Rivers of Wadesboro.

Established in 1918, Phi Theta Kappa is the only international honor society serving two-year institutions. It recognizes the academic achievement and integrity of students enrolled in curriculum programs. Students who are invited to join Phi Theta Kappa must have completed 12 credit hours and must possess a grade point average of 3.5 or higher.

Merry Christmas & Happy New Year!
