Kindergarten Students Make Exciting Visit to Planetarium

During December the Rotary Planetarium and Science Center hosted all of the kindergarten children in the county to a special program. Students were able to have a hands-on experience in the animal room with the reptiles as well as be treated to a full-dome planetarium show! Following the show Planetarium Director Mrs. Wendy Efird read a Christmas book to the students.

A surprise visit was made by Santa Claus! He gave each child a book that was donated by the Anson County Partnership for Children and a silver bell necklace to celebrate the season.
