### Ansonville Elementary School Kindergartners Travel to Planetarium

Ansonville Elementary's Kindergarten students went to the Rotary Planetarium on Tuesday. They got to tour the Animal Room and see the new Dome Show about the moon and stars. Planetarium Director Mrs. Wendy Efirid also shared her favorite Christmas story, *The Polar Express*. At the end of the day, all of the adults were sharing that they still hear the bells of Christmas - and all were surprised by a visit from Santa Claus! Santa passed out books and a bell for each student. Our hope is that for many years to come students will still believe in the wonder of Christmas and will always be able to hear the ringing of the bell that represents the spirit of Christmas!
