Help for Parents of Children Who Stutter is as Close as Your Library

Thanks to some generous donations, the Stuttering Foundation has donated a DVD, entitled *Kids Who Stutter: Parents Speak*, to public libraries across the country. In this 16 minute DVD, parents and speech-language experts talk about how to promote easier talking as they interact with their children. The professionals offer simple tips that parents can follow easily.

The DVD features some of the world's leading therapists with children who stutter: Lisa A Scott, Ph.D. of the Florida State University's School of Communication Science and Disorders; Ellen Kelly, Ph.D., of Vanderbilt University School of Medicine; speech-language consultants Frances Cook, MBE, MSc, Willie Botterill, MSc, and Elaine Kelman, MSc., from the Michael Palin Centre for Stammering Children in London.

"This is an important tool for families and teachers of children who stutter," added Jane Fraser, president of the nonprofit Stuttering Foundation. "Our latest DVD is designed to give parents and teachers the tools they need to play a vital role in the process of helping children who stutter."

For more information about stuttering write the nonprofit Stuttering Foundation, PO Box 11749; Memphis, TN 38111-0749, call 800-992-9392, or visit www.stutteringhelp.org.

Since 1947, the nonprofit Foundation has provided free materials to public libraries nationwide. A library that will shelve them can download a request form at www.stutteringhelp.org/libraries-information, email info@stutteringhelp.org or call 800-992-9392.
