SPCC Wins Two Medallion Awards

South Piedmont Community College's Marketing and Communications Department won two first-place Gold awards in the National Council for Marketing & Public Relations District 2 Medallion Awards, presented October 18 at the group's annual conference in Atlanta.

A story written by Jim Muldrow about SPCC's new EMS training mannequin won a Gold for Feature Article/General News Story/Op-Ed. The story was distributed in January.

SPCC also won a Gold for General Writing. In each category, SPCC was one of only three schools to win a Gold.

NCMPR District 2 includes 11 states in the Southeast, as well as Bermuda, British Virgin Islands and the Bahamas. The NCMPR District 2 Medallion Awards recognize outstanding achievement in communications at community and technical colleges in District 2. It's the only regional competition of its kind that honors excellence exclusively among marketing and PR professionals at two-year colleges.

Disaster Assistance Sign-up for 2010 Crop Losses

Anson County USDA Farm Service Agency (FSA) Executive Director Amy Yaklin announced that the Supplemental Revenue Assistance Payments (SURE) program enrollment for 2010 crop year losses begins Monday, November 14.

"Producers across North Carolina experienced natural disasters during the 2010 crop year, causing hardship and financial losses to their agricultural operations," said Yaklin. "The SURE program provides assistance when disaster strikes. Producers with 2010 crop losses are strongly encouraged to contact the Anson County FSA office to enroll in the SURE program," she said.

To qualify for a SURE payment, a producer's operation must be located in a county declared as a disaster for 2010, and have at least a 10 percent production loss affecting one crop of economic significance. Producers with agricultural operations located outside a disaster county are eligible for SURE benefits if they had a production loss greater or equal to 50 percent of the normal production on the farm.

38 North Carolina counties received a 2010 disaster designation.

To meet program eligibility requirements, producers must have obtained a policy or plan of insurance for all insurable crops through the Federal Crop Insurance Corporation and obtained Noninsured Crop Disaster Assistance Program (NAP) coverage on non-insurable crops, if available, from FSA. Eligible farmers and ranchers meeting the definition of a socially disadvantaged, limited resource or beginning farmer or rancher do not have to meet this requirement. Forage crops intended for grazing are not eligible for SURE benefits.

Anson County producers wanting information on SURE program eligibility requirements can contact the Anson County FSA office at (704) 694-3516 extension 2, or visit the website at www.fsa.usda.gov/sure.

Entries Still Accepted for Wadesboro Christmas Parade

Plans are underway for the 2011 Christmas Parade. Scheduled for 4:45 p.m. on Thursday, December 1st, the uptown parade route will remain the same as in previous years - starting on Morven Road for the line up and concluding at the Ray Shelton Ball Field for breakdown. The parade will move down Washington, Martin and Greene Streets.

A parade is a community's way of expressing holiday greetings. Entries are being accepted by the Anson County Chamber of Commerce at any time between now and November 18. Floats, both professionally designed and homemade, are eligible for entry. This year there will be no lighted floats.

For more information contact the Anson County Chamber of Commerce at 704-694-4181 or ansonchamber@windstream.net Parade entry forms can be downloaded from www.ansoncounty.org.
